

2010 FACT SHEET

We Help Build the World

As the world's industrial footprint expands, Harsco's targeted investments in emerging markets are creating a more globally balanced portfolio that is better positioned to deliver sustainable growth. Harsco's expansion in China, India, the Gulf Region of the Middle East and key parts of Latin America reflects the world's changing economic landscape. We're broadening our horizons by targeting new customers, redeploying assets, establishing joint ventures and acquiring market-leading businesses.
